

CAMEL VALLEY RIDING CLUB CAMP - 25th-28th. March 2010 Stockland Lovell:

~~~~~  
Here we go again!!! Camp at Stockland Lovell in March 2010.

For those who have not attended in previous years, the 3 day residential camp will provide instruction in flatwork, show jumping, cross country and great fun whatever your level.

The programme will be similar to last year i.e arrive **from 4pm (no earlier please as required by Stockland Lovell)** on Thursday 25<sup>th</sup>. March to settle in self and horse - instruction on Friday and Saturday - on the Sunday a free day to go for a hack or to saunter around the cross country course before leaving for home after lunch.

Full catering is provided by Stockland Lovell and this includes breakfast, lunch, tea and supper. Again for those who have not been before - there is a lovely fully equipped big kitchen/dining room to cater for all and accommodation is in comfortable heated portacabins with a super new shower block.

At present we are unable to confirm the exact cost of the camp until we know the numbers and unfortunately prices charged by Stockland Lovell have again increased. It will be in the region of £175.00 but this compared to other camps which only offer 2 nights stay makes the 3 nights plus full catering and stabling (straw and haylage included for horse) still very reasonable. We will endeavour to keep the costs as low as possible but the total is dependent on being able to book the full 30 places.

Please reply **ASAP (latest 12<sup>th</sup> December)** so that I know we have enough interest to go ahead with the necessary arrangements for another brilliant CVRC camp!.  
To secure your place complete the booking form attached and return with a **NON-REFUNDABLE DEPOSIT** of £50.00.

In the event of being over-subscribed - we will run a waiting list, but priority will be given to those members who actively and enthusiastically assist in the running of the Club's events throughout the year!

Non-riding supporters are very welcome. Rates for accommodation/catering for non-riders are available.
